

How to access e-Books through Destiny's FolletShelf to read on your iPad

I. To check out and read a book online using Follett Digital Reader app.

Currently there are few adult fiction titles, however there are some great YA and 5-8 titles in list.

- 1) Download the FollettShelf reader app (which is free)
- 2) The first time to connect the app you will need to type in the Follett Shelf URL which is: **wbb10058** and your firstclass username, for example: mkehe and the default faculty password, which is: **aesdestiny**.

See screen shots below for instructions. If you have any questions before you leave drop by the library see me or Nagarajan and we can help you set it up.

3) Pick a title to read

4) Check out - Online

5) Read Now

Title Details

Trapped [electronic resource]
Michael Northrop.

Seven high school students are stranded at their New England high school during a week-long blizzard that shuts down the power and heat, freezes the pipes, and leaves them wondering if they will survive.
